## LIGHT&SOUND KAZAKHSTAN 2023: A NEW EVENT IN THE INDUSTRY OF PROFESSIONAL LIGHT, SOUND AND STAGE EQUIPMENT AND TECHNOLOGIES

From **May 31 to June 2, 2023**, the International Exhibition of Professional Lighting, Sound and Stage Equipment and Technologies – **LIGHT&SOUND KAZAKHSTAN 2023** will be held in Almaty at the Atakent Exhibition Center. The only international exhibition both in Kazakhstan and in the Central Asian region, which for three days will become a meeting place for manufacturers, suppliers and professional visitors from the countries of Central Asia, near and far abroad.

**LIGHT&SOUND KAZAKHSTAN 2023** will present on its territory the latest innovations in the field of professional light and sound equipment, specialized stage technologies for stage design, projection equipment and technologies for videoconference, laser technologies, equipment and special effects, immersive technologies, media technologies, etc.

The largest domestic and international companies will perform at the exposition with stands: Samat Show Technics LLP, Central Asia Stage, Avercom Group LLP, Anzhee Group LLP, BeRight LLP, Тауекел&Партнерс LLP, SMC One, TÜCHLER Stage & Textile Technology GmbH.

**Partner** of the LIGHT&SOUND KAZAKHSTAN 2023 Exhibition Business Program – **Samat Show Technics**, the largest integrator and distributor of light and sound equipment in Central Asia, will act as a supplier of educational content and present a number of interesting seminars from the world's leading partner manufacturers that cover a wide range of topics in areas of professional light and sound equipment. Samat Show Technics experts will share their experience and knowledge, as well as present new products, top products and solutions. The company will introduce advanced equipment, provide a unique opportunity to communicate with the team and representatives of leading brands. Venue: Conference Hall № 1, Pavilion 10.

Live sound, demonstration of equipment, light show will be presented at its booth by Samat Show Technics, drum set recording master classes, demonstration of equipment with the participation of performers and a prize draw will be demonstrated at its booth by Avercom Group LLP. Performances of vocalists accompanied by a guitar will be presented at the stand of SMC One / Тауекел&Партнерс LLP.

You will have a unique opportunity to see the equipment in action and participate in demonstrations!

Official support for the event was provided by the Akimat of Almaty, the Department of Culture of Almaty, the Department of Entrepreneurship and Investments of Almaty, the National Chamber of Entrepreneurs "Atameken", SATU.KZ, EXPOSALe.net.

**LIGHT&SOUND KAZAKHSTAN 2023** is organized by the exhibition company Central Asia Trade Exhibitions LLP.
